## WB BLVD RFID ONLY LANE

To improve traffic flow at the gate, the right lane will once again operate as RFID only. The myQ app will continue to work in the left lane.

#### Why Change Back to RFID Only?

- RFID tags scan in about 10 seconds per vehicle.
- App can take 15–60 seconds, depending on how prepared the phone is.
- Keeping each method in a separate lane helps keep traffic moving.

#### Having Trouble With Your RFID?

- If your RFID tag is not working, or works only sometimes, it needs to be replaced.
- We can provide an exterior RFID tag that attaches near your headlamp and works better for windshields that block the signal.

#### RFID Replacement Hours

Clubhouse Office, Tuesday & Saturday: 12:30–2:30 PM. By Appointment: 2:30–3:30 PM

- Please bring the vehicle that has the RFID issue.
- Free replacement if an old tag is on your windshield, or you return the unmounted, unused RFID tag that doesn't work.
- Windshield and exterior RFIDs are available for \$10 each if you need a new RFID for a vehicle. There is a limited number of exterior RFIDs about 35 until the first week of March when the new order arrives.

## CORNHOLE TOURNAMENT

## DO YOU HAVE AN AMENITY CARD WITHOUT A PICTURE?

Cards without a photo will be deactivated on March 30th. Access to amenities requires either the myQ Community app or a photo amenity card that matches the cardholder. Amenity cards are optional at a cost of \$10 per card. Cards are available at the clubhouse office during open hours. Residents who prefer mobile access may use myQ mobile credentials, **which rely on Bluetooth and location services.** The pool gate supports this feature now, and the remaining doors will be upgraded soon. The doors once upgraded do not show on the app, this is because the doors use proximity from your location to engage with the app when you are present.
