BURN BAN SIGNS

We are entering the peak wildfire season in Horry County. We obtained red **BURN BAN** signs which will be placed throughout our community to help advise our residents when the County or State has issued a burn ban for our area. These red signs will be placed at each entrance and exit to Waterbridge, as well as at the Moss Bridge, Lady Slipper, and Rose Mallow bridges. Please see the Horry County website for more detailed information regarding the restrictions during a burn ban.
