DO YOU HAVE AN AMENITY CARD WITHOUT A PICTURE?

Cards without a photo will be deactivated on March 30th. Access to amenities requires either the myQ Community app or a photo amenity card that matches the cardholder. Amenity cards are optional at a cost of \$10 per card. Cards are available at the clubhouse office during open hours. Residents who prefer mobile access may use myQ mobile credentials, which rely on Bluetooth and location services. The pool gate supports this feature now, and the remaining doors will be upgraded soon. **The doors once upgraded do not show on the app, the doors use proximity from your location to engage with the app when you are present.**
