SUSPICIOUS OR CRIMINAL ACTIVITY

If you see something suspicious or believe a crime is occurring, please call the Horry County Police Department, emergency dial 911, non-emergency 843-248-1520 right away. This helps ensure the quickest response.

Once police have been contacted, if security is on duty (5:00 PM–1:00 AM) and you need extra help, you may then reach out to Waterbridge Security.

If a police report is filed, please let CAMS know through the resident portal. This helps us keep track of incidents and share information with residents when appropriate.

Thank you for helping keep our community safe.

WILDFIRE COMMUNITY PREPAREDNESS DAY

Save the date, Saturday May 2 is national Wildfire Community Preparedness Day. The South Carolina Forestry Commission will be partnering with Horry County Fire Rescue and will be in the Waterbridge community this year. They will setup a small tent with maybe a fire engine and possibly a dozer/transport. Details on start time and location to be shared at a later time. They would also like to conduct some individual structure assessments for residents in our neighborhood. They do need to gain access to our property, so this “free” service is by request only. They will walk around our home with owners and give tips and mitigation strategies that can be done around the home. Email wbmanager@waterbridgehoa.com if interested in a home assessment.
