BLOOD DRIVE

Sunday, 6/28, 9am-2pm, at the Waterbridge Clubhouse. We need 15 more residents to sign up to donate blood to meet the minimum requirements for the Blood Drive. If interested in donating blood, please contact vtfezza@gmail.com All blood types are critically needed.

WILDFIRE PREPAREDNESS

The South Carolina Forestry Commission partnering with Horry County Fire Rescue would like to conduct some individual structure assessments for residents in our neighborhood. They do need to gain access to our property, so this free service is by request only. They will walk around your home and give tips and mitigation strategies that can be done around the home. If interested in a home assessment email wbmanager@waterbridgehoa.com

COMMUNITY REMINDERS

As the 4th of July Holiday approaches please be aware fireworks are NOT allowed to be used in Waterbridge. There are many professional firework events in the local area that we encourage you to attend for firework viewing. Due to the number of people that visit the pool on the 4th of July and Social Committee events that involve the pool area, like the summer BBQ, there are no floats allowed in the pool on those days.
