POLICE PATROLS VOTE

Owners please vote on whether to allow the Horry County Police Department (HCPD) to patrol within the Waterbridge community. **Voting will be through Election Buddy and will be sent by email and text tomorrow 7/23 at roughly 10am, to the primary account registered in the CAMS portal, one vote per household. Voting Deadline: August 3, 2026.** A yes vote would simply make our community eligible for HCPD patrols, like non-gated Carolina Forest neighborhoods. It does not guarantee daily patrols or a continuous police presence, as patrol activity is determined by HCPD scheduling and priorities. A simple majority vote is required for approval.

Benefits

- HCPD can enforce speeding, stop sign violations, and reckless driving laws for residents, visitors, and contractors.
- HCPD can enforce golf cart regulations, including the requirement that drivers be at least 16 years old and possess a valid driver's license.
- HCPD can enforce e-bike laws, including speeding violations.
- Police patrols may help deter crime and improve community safety.
- HCPD can enforce all applicable Horry County ordinances.
- HCPD can help address unauthorized solicitors within the community.
- HCPD patrols would be covered through existing tax funding with no extra cost to residents.

Concerns

- Traffic citations may result in fines, driver's license points, and increases in insurance rates.
- HCPD would enforce all golf cart and e-bike regulations, including:
- Golf cart seat belt requirements.
- Restrictions on non-pedal-assist e-bikes on roads with speed limits above 20 MPH.
- Other applicable state and county regulations.

MIDDLE OF THE ROAD FUNDING

Please see the attached flyer. A portion of the costs from the attraction books will go towards funding to keep the medians out in front of Waterbridge maintained and looking beautiful.
