LAKE AND POND MAINTENANCE

Owners, please be advised that our lake and pond service company Foster Lake Care performs monthly maintenance, typically during the third or fourth week of each month. Crews are authorized to access Waterbridge maintenance easements around lakes and ponds and may use a gas-powered boat and six-wheeled buggy as needed. Team members wear bright yellow shirts with the Foster Lake logo for identification. Please allow them to complete their work, which may include spraying environmentally approved products and other maintenance activities.

FALL BOCCE LEAGUE, STARTING SEPT 21

Teams generally play one or two games per week (Monday-Friday) at 10 a.m. or 3 p.m. (but times can change). Teams are made up of six players, with an option for a regular sub. You really don't need to know how to play; if you are interested, the game is easy to learn.

If you have a team or just want to join an existing team, please email Jim Pullman at jpullman@comcast.net Include your name, email, and phone number. Reply by September 1 so new teams and a schedule can be created.
