**FALL FESTIVAL**

On Sunday, Waterbridge hosted the first Fall Festival. This was truly a fabulous gathering of our community that was enjoyed by our residents of all ages. The day kicked off with 99 of our residents taking part in a 5K road race and a 1-mile fun run. That incredible experience was followed by our Fall Festival which included food trucks, ice cream, a pumpkin patch, petting zoo, inflatables, cotton candy, games, and much more. One of the highlights of the day was our wonderful Waterbridge residents who showcased their talents as part of the Craft Fair. There are so many talented artisans in our community!

Thanks to all of the participants, runners, artisans, and volunteers who made this such an amazing day. **We would like to thank our dedicated social committee who have outdone themselves with this event. They spent countless hours planning and executing such a large festival for our families.**

We are so blessed by the many hundreds of Waterbridge Community members who came together to enjoy this memorable daywe can't wait for next year!!!
