ARC CONTACT AND PROCESS - WATERBRIDGEHOA.COM/ARC

ALL OWNERS: You must have Waterbridge ARC approval before starting any exterior project, regardless of size. Email requests to ARC@waterbridgehoa.com before work begins. **Do NOT send ARC requests to the CAMS portal.** Minor projects have no fee; fees apply to pools, additions and homes.

Protected Natural Areas: ARC approval is required before any work begins. **Approval from the U.S. Army Corps of Engineers does not replace ARC approval.** These areas are often behind homes and marked with signs. The ARC will take a **conservative approach** when reviewing requests that may affect these areas. Special circumstances may be considered, but **protecting these areas remains the priority.**
